# guinaldo Jr. guinaldo Jr. "She has done more in a few years to spread a common language among the Philippine people than was accomplished in all of the preceding centuries." Status at Ge

complished in all of the preceding centuries.

"She has built hospitals and spread throughout the islands the principles of the modern sanitation. She has cradicated smallpox, suppressed cholera, bubonic plague and prevented the scourge of beri-beri.

"She has encouraged every native industry and implanted new industries. She has more than doubled the commerce of the archipelago and given the islands free trade with the home country.

suppressed the sour and prevented the sour and prevented the sour mighanted are industries, and prevented the sour mighanted are industries, the archipolage and given the state of the control of the co

mger extraordinary from the younger tilippine generation."

I am here." he continued. "this evemp because the younger generation my people—those of us who have me on the planet since 'the days of the Empire'—recently heard of the allow and other things that Senores arabas were going to have in Washigton to-night, and realizing, as we a that the Military Order of the irabase symbolizes the spirit of the irabase symbolizes the spirit of the merican army that crossed the Pate and came to the Philippines alms that quarter of a century ago, I mag to the Carabase to-night a mesure.

is the submit that the history of the tited States in the Philippines has more of which the American nation a well be proud and for which the hippine people may be grateful.

The United States has given the slads divil control independent of, and sperior to military power; and as abolished an inquisitorial system a traininal investigation and secured or the humblest citizen charged with time the advantage of a fair and pedy trial.

"She has cleared our southern seas piracy and everywhere suppressed

piracy and everywhere suppressed igandage and outlawry, and made e and property secure throughout of the civilized parts of the archi-

elago.
"She has suppressed inter-tribal spired in them a desire to pursue the nts of peace.
"She has built schoolhouses and kept

Spain, who is now in Mexico, is also considered available for the post.

The report that President Obregon's health demands immediate attention has occasioned some surprise here, in asmuch as he has lately appeared to be in better condition than when he entered the Presidency more than a year ago.

President Obregon can leave the country, it is pointed out in connection with the report that he may go to Rochester, Minn. to undergo an operation on his right arm. No opposition is expected if such permission is re-

Senator Lodge, in Capital, Radios an Address to Lynn
